# <u>CV</u>

# Zachary DeVries, PhD

Associate Professor of Urban Entomology
The Bill Gaton Foundation Early Career Professor
Department of Entomology, University of Kentucky
S-225 Agricultural Science Center North, Lexington, KY 40546-0091

Office: 859-562-2856; Fax: 919-515-7746

Email: zdevries@uky.edu; Web: https://devrieslab.ca.uky.edu/

### **EDUCATION**

2017	<b>Doctor of Philosophy</b> , Entomology. North Carolina State University, Raleigh, NC
	Dissertation: Biology, behavior, and management of urban pests
2013	Master of Science, Entomology. Auburn University, Auburn, AL
	Thesis: Respiratory physiology of urban insects
2011	Bachelor of Science, Zoology. Auburn University, Auburn, AL
	Graduated Summa Cum Laude
	Minor in Statistics

# PROFESSIONAL APPOINTMENTS/EXPERIENCE

2025-present	<b>Associate Professor.</b> Department of Entomology, University of Kentucky, Lexington, KY
2024-present	The Bill Gatton Foundation Early Career Professor. Department of Entomology, Martin-
	Gatton College of Agriculture, Food and Environment, University of Kentucky, Lexington,
	KY
2019-2025	Assistant Professor. Department of Entomology, University of Kentucky, Lexington, KY
2019	Research Assistant Professor. Department of Entomology and Plant Pathology, North
	Carolina State University, Raleigh, NC.
2018-2019	Postdoctoral Research Scholar. Department of Entomology and Plant Pathology, North
	Carolina State University, Raleigh, NC. Mentored by Dr. Coby Schal
2013-2017	Graduate Research and Teaching Assistant. Department of Entomology and Plant
	Pathology, North Carolina State University, Raleigh, NC. Advised by Dr. Coby Schal
2011-2013	Graduate Research Assistant. Department of Entomology and Plant Pathology, Auburn
	University, Auburn, AL. Advised by Dr. Arthur Appel

# **HONORS AND AWARDS**

#### **Honors and Awards**

34. The Bill Gatton Foundation Early Career Professorship; Martin Gatton College of Agriculture, Food and Environment, University of Kentucky (2024-2027).

This award provides support to outstanding early career faculty pursuing innovative research, extension, and/or instructional programs to address contemporary challenges related to agriculture, food, the environment, and/or society.

33. Crown Leadership Award; PCT Magazine (2024).

Since 1998, the Crown Leadership Awards have been presented annually to five individuals for their contributions to the growth and development of the pest control industry. To the best of my knowledge, I am the youngest person to ever receive this award.

- 32. Early Career Innovation Award; Entomological Society of America (2023).

  Nationally competitive award given to 1 early career professional in the Entomological Society of America each year.
- 31. CAFE Bobby Pass Excellence in Grantsmanship Award; Martin-Gatton College of Agriculture, Food and Environment, University of Kentucky (2021).

The Bobby Pass Excellence in Grantsmanship Award is presented annually to the CAFE faculty member receiving the most significant external award, or combination of awards, during the previous 5 years. To my knowledge, I am one of only a handful of assistant professors to win this award, doing so in only my  $2^{nd}$  year at UK.

- 30. Wethington Award; College of Agriculture, Food and Environment, University of Kentucky (2020-2024).
- 29. John Henry Comstock Award (Southeastern Branch); Entomological Society of America (2018).
- 28. Friends of IPM Graduate Student Award (PhD); Southern Region IPM Center (2017).
- 27. International IPM Award of Excellence for Doctoral Students; The 9th International IPM Symposium (2017).
- 26. Vandenbergh Travel Fellowship; The W.M. Keck Center for Behavioral Biology, North Carolina State University (\$450, 2017).
- 25. Outstanding Ph.D. Student Award; North Carolina Entomological Society (2016).
- 24. First Place Student Paper Competition (Oral Presentation); International Congress of Entomology (2016).
- 23. Lillian and Alex Feir Graduate Student Travel Award in Insect Physiology, Biochemistry, or Molecular Biology; Entomological Society of America (\$1,850, 2016).
- 22. First Place Ph.D. Oral Presentation; Southeastern Branch of the Entomological Society of America Annual Meeting (2016).
- 21. The National Conference on Urban Entomology Ph.D. Scholarship; National Conference on Urban Entomology (\$1,500, 2016).
- 20. Foundation for Toxicology and AgroMedicine Supplementary Scholarship; The Foundation for Toxicology and AgroMedicine (\$2,000, 2015).
- 19. John V. Osmun Memorial Scholarship; Pi Chi Omega (\$3,000, 2014).
- 18. Second Place President's Prize for Oral Presentation; Entomological Society of America National Meeting (2014).

- 17. Larry Larson Graduate Student Award for Leadership in Applied Entomology; Entomological Society of America (sponsored by Dow AgroSciences, 2014).
- 16. Kirby L. Hays Memorial Award; Southeastern Branch of the Entomological Society of America (2014).
- 15. Third Place Oral Presentation; North Carolina State University Entomology Graduate Student Symposium (2014).
- 14. Medical, Urban, and Veterinary Entomology Section Student Scholarship; Entomological Society of America (MUVE Section; \$500; 2014)
- 13. Master's Thesis Award; Auburn University (2013)
- 12. Outstanding Graduate Student (Master's) Award; Auburn University (2013)
- 11. Outstanding M.S. Graduate Student Award in Entomology; Department of Entomology and Plant Pathology, Auburn University (2013)
- 10. First Place M.S. Oral Presentation; Southeastern Branch of the Entomological Society of America Annual Meeting (2013)
- 9. Monsanto Student Travel Award; Entomological Society of America (\$1,830, 2013)
- 8. University Graduate Fellowship; North Carolina State University (\$4,000, 2013)
- 7. David R. Nimocks, Jr. Fellowship (for research in urban entomology); North Carolina State University (\$42,000, 2013)
- 6. Smalley Award (Best Overall Master's Student GPA); Department of Entomology and Plant Pathology, Auburn University (2012)
- 5. Dean's Medal; Department of Biological Sciences, Auburn University (2011)
- 4. Outstanding Junior Award; Department of Biological Sciences, Auburn University (2010)
- 3. Goldwater Scholarship Honorable Mention (2010)
- 2. Second Place Oral Presentation for the Competitive Undergraduate Research Fellowship Competition; The Auburn University 7th Annual Undergraduate Research Forum (2010)
- 1. Undergraduate Research Fellowship; Auburn University (\$5,800, 2009)

#### **PROGRAM FUNDING**

# **Funding Summary**

Nationally Competitive	\$3,259,016
State and Internally Competitive	
Industry	
Total Funding to Date	\$4,330,571
Total Funding Awarded to DeVries Program	\$3,898,264

### **Grants: Awarded**

- 9. **DeVries ZC,** Penn J. 2025-2027. A complete approach to cockroach management in affordable housing communities. U.S. Department of Housing and Urban Development (HUD) Lead and Healthy Homes Technical Studies (LHHTS) Grant Program. \$999,979. DeVries Portion: \$699,979. (PI, 17% effort, Nationally Competitive).
- 8. **DeVries ZC**, Grady B. 2024-2025. Cockroach connoisseurs: How contamination of insecticidal baits affects German cockroach behavior. The Pest Management Foundation. \$28,552. DeVries Portion: \$28,552. (PI, 1% effort, Nationally Competitive).
- 7. **DeVries ZC** 2024-2026. The Bill Gatton Foundation Early Career Assistant Professor. Martin-Gatton College of Agriculture, Food and Environment, University of Kentucky. \$150,000. DeVries portion: \$150,000. (PI, University Competitive).
- 6. **DeVries ZC.** 2023. Extension innovation funding. University of Kentucky. \$10,000. DeVries portion: \$10,000. (PI, 1% effort, University Competitive).
- 5. **DeVries ZC.** 2023. Behavioral responses of bed bug (*Cimex lectularius*) to *Beauveria bassiana* (Apprehend). Washington State Commission on Pesticide Registration. \$25,000. DeVries portion: \$25,000. (PI, 1% effort, Nationally Competitive).
- 4. DeVries ZC. 2022-2023. Evaluation of *Beauveria bassiana* (Aprehend) as an alternative to the organophosphate dichlorvos (Nuvan ProStrips) for bed bug (*Cimex lectularius*) control. Washington State Commission on Pesticide Registration. \$47,000. DeVries portion: \$47,000. (PI, 1% effort, Nationally Competitive).
- 3. **DeVries ZC,** Appel AG, Penn J. 2021-2024. Cockroach eradication through community engagement: Empowering residents to improve their health. U.S. Department of Housing and Urban Development (HUD) Lead and Healthy Homes Technical Studies (LHHTS) Grant Program. \$400,000. DeVries Portion: \$267,693. (PI, 3% effort, Nationally Competitive).
- 2. **DeVries ZC.** and Gaire S. 2021-2022. The perfect meal: Determining how age and humidity affect cockroach gel bait performance. The Pest Management Foundation. \$21,153. DeVries Portion: \$21,153. (PI, 1% effort, Nationally Competitive).
- 1. **DeVries ZC**. 2019-2024. Histamine in homes: Exposure risks and health effects. National Institutes of Health (NIH) Office of the Director Early Independence Award. \$1,737,332. DeVries portion: \$1,737,332. (PI, 50% effort, Nationally Competitive).

# Industry Funding (all funding solely to DeVries)

Year	# Projects	Total Funding
2025	9	\$83,322
2024	19	\$208,475
2023	19	\$196,051
2022	13	\$144,120
2021	10	\$98,428
2020	13	\$181,159
TOTAL FUNDING	74	\$911,555

<u>Industry partners:</u> Bayer CropScience; Control Solutions, Inc.; Syngenta; FMC Corporation; BASF; Bedoukian Research, Inc.; Bed Bug Central; Envu; Nattaro Labs; Nisus; i2L

- 3. **DeVries ZC**, Mick R§, Schal C. 2016. Baiting for bed bugs: Is it possible? North Carolina Entomological Society. Raleigh, NC (Ph.D. student award).
- 2. **DeVries ZC**, Mick R§, Schal C. 2016. Orientation of bed bugs to thermal cues. National Conference on Urban Entomology. Albuquerque, NM (Ph.D. student scholarship).
- 1. **DeVries ZC.** 2015. Bugs and baits: Changing the way we think about urban pest management. Dow AgroSciences. Indianapolis, IN.

#### **Submitted Presentations**

18. **DeVries ZC.** 2023. Bed bug health risks and emerging biocontaminants. Entomological Society of America Annual Meeting. National Harbor, MD.

Part of an ESA Medical, Urban and Veterinary Entomology (MUVE) Section Symposium ("Indoor Pests and Pesticides in Affordable Housing: Using Science to Impact Policy") organized by **DeVries ZC** and Schal C.

- 17. **DeVries ZC**, Gordon J<sup>†</sup>, Gaire S<sup>††</sup>, Principato S<sup>†</sup>, Sierras A<sup>††</sup>, Santangelo RG, González-Morales MA<sup>§</sup>, Menechella M<sup>§</sup>, and Schal C. 2021. Bed bugs: An emerging threat to public Health? The National Institutes of Health Common Fund High-Risk, High-Reward Research Symposium. Online (Poster).
- 16. **DeVries ZC**, Santangelo RG, Schal C. 2019. Bed bugs, histamine, and human health. Entomological Society of America Annual Meeting. St. Louis, MO.

Part of an ESA Medical, Urban and Veterinary Entomology (MUVE) Section Symposium ("Indoor Pests and Human Health: Advocating for Interdisciplinary Interactions") organized by **DeVries ZC** and Schal C

- 15. **DeVries ZC**, R. Santangelo, A. Barbarin, Schal C. 2018. Bed bugs and Histamine: a public health risk? National Conference on Urban Entomology. Cary, NC.
- 14. **DeVries ZC**, R. Santangelo, J. Crissman, Mick R, A. Suazo, Schal C. 2018. Cost-benefit analysis of total release foggers (TRFs). 9<sup>th</sup> International IPM Symposium. Baltimore, MD (Poster).
- 13. **DeVries ZC**, Santangelo RG, Vernon E, Schal C. 2017. Baiting for German cockroaches: effects of bait placement on population and allergen levels. Entomological Society of America Annual Meeting. Denver, CO.
- 12. **DeVries ZC**, Santangelo RG, Crissman J, Mick R, Suazo A, Schal C. 2017. Efficacy and exposure risks of total release foggers. The International Society for Exposure Science Meeting. Durham, NC.
- 11. **DeVries ZC**, Mick R§, Balvín O, Schal C. 2016. Reproductive compatibility and aggregation fidelity among populations and host-associated lineages of bed bugs, *Cimex lectularius*. International Congress of Entomology. Orlando, FL.
- 10. **DeVries ZC**, Mick R§, Schal C. 2016. Thermosensory behavior of bed bugs in host location. W.M. Keck Center for Behavioral Biology 17<sup>th</sup> Annual Student and Postdoc Symposium. Raleigh, NC.

- 9. **DeVries ZC**, Mick R§, Schal C. 2016. Feel the heat: Activation, orientation, and feeding responses of bed bugs (*Cimex lectularius*) to different temperatures. Entomological Society of America-Southeastern Branch Meeting. Raleigh, NC.
- 8. **DeVries ZC,** Schal C. 2014. Reproductive compatibility among populations and host-associated lineages of bed bugs, *Cimex lectularius*. Entomological Society of America Annual Meeting. Portland, OR.
- 7. **DeVries ZC**, Kells SA, Appel AG. 2014. Effects of starvation and molting on the metabolic rate of the bed bug, *Cimex lectularius*. North Carolina State University Entomology Graduate Student Association Symposium. Raleigh, NC.
- 6. **DeVries ZC**, Kells SA, Appel AG. 2013. Standard metabolic rate of the common bed bug, *Cimex lectularius*: Effects of temperature, mass, and life stage. Entomological Society of America Annual Meeting. Austin, TX.
- 5. **DeVries ZC.** 2013. Urban insect respiratory physiology. Auburn University Department of Entomology and Plant Pathology-Seminar. Auburn, AL.
- 4. **DeVries ZC**, Kells SA, Appel AG. 2013. Effects of starvation on the metabolic rate of the common bed bug, *Cimex lectularius*. Entomological Society of America-Southeastern Branch Meeting. Baton Rouge, LA.
- 3. **DeVries ZC**, Appel AG. 2012. Standard metabolic rates of *Lepisma saccharina* and *Thermobia domestica*: effects of temperature and mass. Entomological Society of America Annual Meeting. Knoxville, TN.
- 2. **DeVries ZC**, Appel AG. 2012. Respiratory physiology of the bed bug, *Cimex lectularius* (Cimicidae). Auburn University, Department of Entomology and Plant Pathology-Seminar. Auburn, AL.
- 1. **DeVries ZC**, Henry RP. 2010. The effects of hypoxia on behavior and oxygen uptake in two species of giant aquatic salamander: *Siren lacertina* and *Amphiuma means*. The Auburn University 7<sup>th</sup> Annual Undergraduate Research Forum, Auburn, AL.

### **Student/Trainee Presentations**

- 34. Shrestha B<sup>†</sup>, **DeVries ZC**. 2025. Proactive baiting for sustainable German cockroach (*Blattella germanica*) control. Entomological Society of American Annual Meeting. Portland, OR Second place student competition for the president's prize
- 33. Lopina A<sup>†</sup>, **DeVries ZC**. 2025. Effects of environmental conditions on German cockroach (*Blattella germanica*) survival. Entomological Society of American Annual Meeting. Portland, OR
- 32. Katz O<sup>†</sup>, **DeVries ZC**. 2025. From infestation to intervention: Insights into mitigating German cockroach allergens. Entomological Society of American Annual Meeting. Portland, OR

- 31. Principato S<sup>†</sup>, **DeVries ZC**. 2025. Bed bugs: Health risks and control. Entomological Society of American Annual Meeting. Portland, OR

  Second place student competition for the president's prize
- 30. Grady B<sup>†</sup>, **DeVries ZC**. 2025. Investigating bed bug (*Cimex lectularius*) behavior in response to common insecticides using arrestment and live-tracking assays. Entomological Society of American Annual Meeting. Portland, OR

  Second place student competition for the president's prize
- 29. Jackson D<sup>†</sup>, Sierras AJ<sup>††</sup>, **DeVries ZC**. 2025. Efficacy of essential oils for German cockroach Control. National Conference on Undergraduate Research. Pittsburgh, PA (Poster).
- 28. Gordon J<sup>†</sup>, **DeVries ZC**. 2025. Indoor contaminants from bed bugs. Entomological Society of America-Southeastern Branch Meeting. Baton Rouge, LA.
- 27. Jackson D<sup>†</sup>, Sierras AJ, **DeVries ZC**. 2024. Essential oils: Are they essential for German cockroach control? Entomological Society of America Annual Meeting. Phoenix, AZ
- 26. Grady B<sup>†</sup>, **DeVries ZC**. 2024. Cockroach connoisseurs: How contamination of insecticidal baits affects German cockroach behavior. Entomological Society of American Annual Meeting. Phoenix, AZ
  - Second place student competition for the president's prize
- 25. Principato S<sup>†</sup>, **DeVries ZC**. 2024. Bed bug-derived histamine: Potential health implications and mitigation strategies. Entomological Society of American Annual Meeting. Phoenix, AZ Second place student competition for the president's prize
- 24. Blevins H<sup>†</sup>, **DeVries ZC**. 2024. Neonicotinoid Resistance in the German Cockroach (Dictyoptera: Blattellidae). Entomological Society of American Annual Meeting. Phoenix, AZ
- 23. Katz O<sup>†</sup>, **DeVries ZC**. 2024. Assessing German cockroach (*Blattella germanica*) allergen introduction and in-home management. Entomological Society of American Annual Meeting. Phoenix, AZ
- 22. Lopina A<sup>†</sup>, **DeVries ZC**. 2024. Effects of resources and conspecifics on harborage selection in the German Cockroach (*Blattella germanica*). Entomological Society of American Annual Meeting. Phoenix, AZ
- 21. Gordon J<sup>†</sup>, Sierras A<sup>††</sup>, Appel AG, Eva M, Jackson D<sup>†</sup>, Principato S<sup>†</sup>, Gaire S<sup>††</sup>, and **DeVries ZC**. 2024. Failures of DIY pest control products for cockroach control. National Conference on Urban Entomology. Mobile, AL
- 20. Grady B<sup>†</sup>, and **DeVries ZC**. 2024. Behavioral responses of bed bugs (*Cimex lectularius* L.) to commonly used residual insecticides. National Conference on Urban Entomology. Mobile, AL.
- 19. Principato S.<sup>†</sup>, **DeVries ZC**. 2024. Effects of surface type and distance traveled on the efficacy of a *Beauveria bassiana*-Based Biopesticide (Aprehend<sup>®</sup>) for Bed Bug (Hemiptera: Cimicidae) Control. National Conference on Urban Entomology. Mobile, AL.

- 18. Jackson D<sup>†</sup>, Sierras A<sup>††</sup>, **DeVries ZC**. 2024. Efficacy of essential oils in German cockroach control. National Conference on Urban Entomology. Mobile, AL.
- 17. Gordon J<sup>†</sup>, Sierras A<sup>††</sup>, Penn J, **DeVries ZC**. 2023. Perceptions and pitfalls of do-it-yourself cockroach control. Entomological Society of America Annual Meeting. National Harbor, MD.
- 16. Lucero I<sup>†</sup>, Gaire S<sup>††</sup>, **DeVries ZC**. 2023. The effects of proper application on cockroach gel bait performance. Entomological Society of America Annual Meeting. National Harbor, MD. *First place student competition for the president's prize*
- 15. Grady B<sup>†</sup>, **DeVries ZC**. 2023. Behavioral responses of bed bugs to common control products. Entomological Society of America Annual Meeting. National Harbor, MD.

  Second place student competition for the president's prize
- 14. Principato S<sup>†</sup>, **DeVries ZC**. 2023. Bed bugs and *Beauveria bassiana* (Aprehend®): Determining how distance traveled and surface type affect efficacy. Entomological Society of America Annual Meeting. National Harbor, MD.
- 13. Katz O<sup>†</sup>, Gordon J<sup>†</sup>, Schal C, **DeVries ZC**. 2023. Tissue distribution of the German cockroach (*Blattella germanica* L.) allergen Bla g 5. Entomological Society of America Annual Meeting. National Harbor, MD (Poster).
- 12. Sierras A<sup>††</sup>, **DeVries ZC.** 2023. Urban Pests and Public Health. The Kentucky Environmental Health Association Annual Educational Conference. Lexington, KY.
- 11. Gordon J<sup>†</sup>, **DeVries ZC.** 2022. Investigation of a novel allergen from the common bed bug (Hemiptera: Cimicidae) Entomological Society of America Annual Meeting. Vancouver, BC, Canada.

First place student competition for the president's prize

10. Lucero I<sup>†</sup>, Gaire S<sup>††</sup>, **DeVries ZC.** 2022. The perfect meal: Determining how aging affects cockroach gel bait performance. Entomological Society of America Annual Meeting. Vancouver, BC, Canada.

Second place student competition for the president's prize

- 9. Principato S<sup>†</sup>, Romero A, **DeVries ZC.** 2022. Histamine production in common urban arthropods. Entomological Society of America Annual Meeting. Vancouver, BC, Canada.
- 8. Gaire S<sup>††</sup>, **DeVries ZC.** 2022. Pyrethroids fail to repel German cockroaches in free-moving assays. Entomological Society of America Annual Meeting. Vancouver, BC, Canada.
- 7. Gordon J<sup>†</sup>, Santangelo RG, González-Morales§ MA, Menechella M§, Schal C, **DeVries ZC**. 2021. More than the bite: Introduction of environmental contaminants into the home by bed bugs (Hemiptera: Cimicidae). Entomological Society of America Meeting. Denver, CO (online).

- 6. Principato S<sup>†</sup>, **DeVries ZC**. 2021. Evaluation of the ability of arthropods to contaminate the indoor environment with histamine. Entomological Society of America Meeting. Denver, CO (Poster, online).
- 5. Gaire S<sup>††</sup>, Gordon J<sup>†</sup>, **DeVries ZC**. 2021. Common bed bugs possess a robust ability to produce histamine. Entomological Society of America Meeting. Denver, CO (online).
- 4. Gaire S<sup>††</sup>, Gordon J<sup>†</sup>, **DeVries ZC.** 2021. Common bed bugs possess a robust ability to produce histamine. University of Kentucky Society of Postdoctoral Scholars Symposium. Lexington, KY.
- 3. Gordon J<sup>†</sup>, Santangelo RG, González-Morales MA<sup>§</sup>, Menechella M<sup>§</sup>, Schal C, **DeVries ZC**. 2021. Histamine distribution in bed bug (Hemiptera: Cimicidae) infested homes. Entomological Society of America North Central Branch Meeting. Online.
- 2. Gaire S<sup>††</sup>, Gordon J<sup>†</sup>, **DeVries ZC.** 2021. Histamine production by the common bed bug (*Cimex lectularius* L.). Entomological Society of America North Central Branch Meeting. Online.
- 1. Gordon J<sup>†</sup>, Santangelo RG, González-Morales MA<sup>§</sup>, Menechella M<sup>§</sup>, Schal C, **DeVries ZC**. 2021. Characterization of the spatial distribution of histamine in bed bug infested homes. National Conference on Urban Entomology. Online.

#### **Co-Authored Presentation**

- 15. Penn JM, Gordon J<sup>†</sup>, **DeVries ZC**. 2024. Preferences and attitudes towards German cockroach (Dictyoptera: Blattellidae) management: A nationwide survey of tenants in multi-family housing Entomological Society of America Meeting. Phoenix, AZ.

#### **Dissertation Committee Chair**

- 6. Sophie Robinson, Entomology, Status: In-Process, (August 2025-present).
- 5. Morgan Manderfield, Entomology, Status: In-Process, (August 2025-Present)
- Bandana Shrestha, Entomology, Status: In-Process, (January 2025-Present)
   <u>Awards:</u> Second place student competition for the president's prize, Entomological Society of America Annual Meeting (2025).
- 3. Ben Grady, Entomology, Status: In-Process, (August 2022-Present)

  <u>Awards:</u> National Conference on Urban Entomology Travel Award (2024, \$300); Pest

  Management Foundation Scholarship (2024, \$2000; 2025, \$2000); Second place student
  competition for the president's prize, Entomological Society of America Annual Meeting
  (2023, 2024, 2025); Pi Chi Omega Scholarship (2025, \$3500; 2023, \$2000).
- Simona Principato, Entomology, Status: Degree Awarded, (January 2021-December 2025).
   <u>Awards:</u> ESA MUVE Shripat Kamble Urban Entomology Graduate Student Award for Innovative Research, Entomological Society of America (2024, \$1000); National Conference on Urban Entomology Travel Award (2024, \$300); Pest Management Foundation Scholarship (2023, \$2000; 2024, \$2000; 2025, \$1000); ESA MUVE Student Travel Award (2023, \$500); Pi Chi Omega Scholarship (2023, \$2000; 2024, \$2000); Second place student competition for the president's prize, Entomological Society of America Annual Meeting (2024, 2025).
- 1. Johnalyn Gordon, Entomology, Status: Degree Awarded, (August 2020 May 2024).

  Awards: First place PhD student competition, National Conference on Urban Entomology (2024); National Conference on Urban Entomology Travel Award (2024, \$300); Friends of IPM Doctoral Graduate Student Award, Southern IPM Center (2024, \$2000); ESA MUVE Shripat Kamble Urban Entomology Graduate Student Award for Innovative Research, Entomological Society of America (2023, \$1000); First place student competition for the president's prize, Entomological Society of America Annual Meeting (2022); Pest Management Foundation Scholarship (2021, \$2000; 2022, \$2000); Pi Chi Omega Scholarship (2021, \$2000); College of Agriculture, Food and Environment Karri Casner Environmental Sciences Fellowship (2021, \$1800); ESA MUVE Travel Award (2021, \$500); Larry Larson Graduate Student Award for Leadership in Applied Entomology, ESA (2021, \$1000). Current Position: Postdoctoral Research Scholar, University of Florida.

### **Dissertation Committee Member**

1. Dan Lingeman, Entomology, Status: In-Process, PhD student (2023-present).

#### Master's Thesis Committee Chair

- 6. Caroline Kohnert, Entomology, Status: In-Process, (January 2025-present)
- 5. Allison Lopina, Entomology, Status: In-Process, (January 2024-present).

<u>Awards:</u> ESA MUVE MS Student Recognition Award (2025); Pi Chi Omega Scholarship (2025, \$2500); Pest Management Foundation Scholarship (2025, \$1000)

4. Hannah Blevins, Entomology, Status: In-Process, (August 2023-July 2025)

<u>Awards:</u> Pest Management Foundation Scholarship (2025, \$1000); ESA MUVE MS Student Recognition Award (2024); Honorable Mention NSF Graduate Research Fellowship Program (2024); Pi Chi Omega Scholarship (2024, \$2000); Second place UK GradResearch Live (3MT) Competition, University of Kentucky (2023).

Current Position: PhD Student, University of Kentucky Department of Biology

- Olivia Katz, Entomology, Status: In-Process, (January 2023-present)
   <u>Awards:</u> Pi Chi Omega Scholarship (2025, \$2500; 2024, \$2000); Pest Management Foundation Scholarship (2024, \$1000; 2025, \$1000).
- 2. Sarah Latyn, Entomology, Status: In-Process, MS plan B student (online). (2021 Present).
- Isabelle Lucero, Entomology, Status: Degree Awarded, (January 2021 December 2023).
   <u>Awards:</u> Pest Management Foundation Scholarship (2024, \$1000); First place student competition for the president's prize, Entomological Society of America Annual Meeting (2023); Pi Chi Omega Scholarship (2023, \$2000); Second place student competition for the president's prize, Entomological Society of America Annual Meeting (2022); College of Agriculture, Food and Environment Diversity Research & Teaching Fellowship (2021-2022, \$11,000; 2022-2023, \$11,000; 2023, \$5500).
   Current Position: Education and Compliance Officer, J.T.Eaton.

### **Master's Thesis and Dissertation Committee Member**

- 2. James Nelson, Entomology, Status: In-Process, MS plan B student (online). (2023 Present).
- 1. Paul Baker, Entomology, Status: Degree Awarded, MS plan A student. (2019 2020).

# **Undergraduate Mentorship**

- 7. Liam Sassay de Medeiros (2025-present)
- Macey Dumas, Forestry (2024-present)
   <u>Awards:</u> Martin-Gatton College of Agriculture, Food and Environment (CAFE) Undergraduate Research Award (2025, \$1000).
- 5. Katherine Zimmerman, Agriculture (2024-present)
- 4. Julia Andrade, Biology (2023-2025)

  Current Position: Laboratory Technician, UK College of Medicine
- 3. Daniela Jackson, Agricultural and Medical Biotechnology (2023-2025)

<u>Awards:</u> National Conference on Urban Entomology BS Student Scholarship (2024, \$1500); University of Kentucky Summer Undergraduate Research Experience in Environmental Health Sciences (SURES) Program (2024, \$5000); College of Agriculture, Food and Environment (CAFE) Undergraduate Research Award (2023, \$1000). Current Position: Patient Care Technician, University of Pittsburg Medical Center

2. Brianna Bryant, Biology (2023)

**Current Position:** 

1. Henry Morgan, Biomedical Engineering (2021-2022)

<u>Awards:</u> First Place Department of Entomology 2022 Poster Session, Department of Entomology, University of Kentucky (2022), College of Agriculture, Food and Environment (CAFE) Undergraduate Research Award (2022, \$1000); University of Kentucky Summer Undergraduate Research Experience in Environmental Health Sciences (SURES) Program (2022, \$5000)

Current Position: Clinical Research Coordinator, Beth Israel Deaconess Medical Center

# **Directed Learning (excluding theses, dissertations)**

- 4. Julián Felipe Porras Villamil. Postdoctoral Research Scholar. In Progress (August 2025-present). Description: Advised in urban entomology research and extension.
- 3. Gretchen Thomas. Research Scientist I. In Progress (September 2024-present). <u>Description:</u> Advised in urban entomology research and extension.
- Dr. Sudip Gaire. Postdoctoral Research Scholar. Completed (June 2020 September 2022).
   <u>Description:</u> Advised in urban entomology research and extension.
   <u>Awards:</u> Entomological Society of America (ESA) Medical, Urban and Veterinary Entomology (MUVE) Early Career Award (2021, \$500); 1st place Oral Presentation, University of Kentucky Society of Postdoctoral Scholars Symposium (2021, \$300).
   <u>Current Position:</u> Principal Entomologist, Rentokil-Terminix.
- 1. Dr. Angela Sierras. Research Scientist II. Completed (May 2020 February 2024).

<u>Description:</u> Advised a research scientist in my lab.

Current Position: Research and Development Scientist, Syngenta.

#### **EXTENSION TRAINING AND CONSULTING ACTIVITIES**

(This includes trainings, workshops, certifications, and consultations. Descriptions of each activity are provided for context/program impact).

### **Extension Training and Consulting Activities**

- 36. University of Kentucky Pest Control Short Course. Lexington, KY. 2025.

  Designed and coordinated an in-person training meeting for pest control operators in Kentucky and surrounding states. This meeting involved 20 1-hour talks from speakers from around the country and provided training for >400 pest control operators. LINK
- 35. University of Kentucky Technical Director's Retreat. Lexington, KY. 2025.

  Hosted a meeting for pest control company technical director's from around the country to discuss the future and current needs of pest control, and how research can be utilized to address these needs (~30 attendees). LINK
- 34. Bourbon Distillery Rickhouse Inspection. Frankfort, KY. 2025

Visited a distillery to inspect for wood destroying organism damage and advised on the best course of action to resolve this problem.

33. Brown Recluse Consultation. Danville, KY. 2025

Visited a historic home to inspect and advise on treatment for brown recluse in a home built in the 1700s. Trainees were involved in the inspections and treatment recommendations.

32. Kentucky Department of Agriculture Licensed Pest Control Operator's (LPCO) Exam. Lexington, KY. 2025.

Updated and administered the LPCO exam, which consists of 260 multiple choice questions and 40 specimen identification questions (February: 30 examinees; June: 50 examinees; September: 25 examinees).

31. University of Kentucky Pest Control Short Course. Lexington, KY. 2024.

Designed and coordinated an in-person training meeting for pest control operators in Kentucky and surrounding states. This meeting involved 23 1-hour talks from speakers from around the country and provided training for >400 pest control operators.

30. University of Kentucky Technical Director's Retreat. Lexington, KY. 2024.

Hosted a meeting for pest control company technical director's from around the country to discuss the future and current needs of pest control, and how research can be utilized to address these needs (~30 attendees).

29. University of Kentucky Cicada Killers on Campus. Lexington, KY. 2024.

Helped facilities deal with a problem involving cicada killers close to a building. Advised of alternative management strategies and solutions to resolve the problem while keeping Kentucky students and employees safe.

28. University of Kentucky Brown Recluse Spider Problem. Lexington, KY. 2024.

Helped facilities deal with a sensitive brown recluse spider problem in a building on campus. Activities involved reviewing the actions proposed by the pest control company, meeting on site to assess the situation, and providing feedback on what to expect and what actions should be taken next.

27. Kentucky Department of Agriculture Licensed Pest Control Operator's (LPCO) Exam. Lexington, KY. 2024.

Updated and administered the LPCO exam, which consists of 260 multiple choice questions and 40 specimen identification questions (February: 30 examinees; June: 29 examinees).

26. University of Kentucky Bed Bug Problem. Lexington, KY. 2024.

Helped facilities dealing with a sensitive bed bug concern on campus by providing a thorough inspection and recommendation on action to correct the problem.

25. University of Kentucky Pest Control Short Course. Lexington, KY. 2023.

Designed and coordinated an in-person training meeting for pest control operators in Kentucky and surrounding states. This meeting involved 23 1-hour talks from speakers around the country and provided training for >420 pest control operators.

- 24. University of Kentucky Pest Control Contract Review. 2023-present

  Assisted in developing and reviewing the request for proposals (RFP) for the University pest control contract. This contract covers services of all university properties and is essential to protecting the health and safety of the students, staff, clinicians, and faculty on campus.
- 23. Blue Grass Army Depot Powder Post Beetle Inspection. Richmond, KY. 2023.

  Inspected pallets for the presence of powder post beetles. Identified powder post beetle damage and provide control recommendations to eliminate the beetles from pallets currently support small munitions.
- 22. University of Kentucky Technical Director's Retreat. Lexington, KY. 2023.

  Hosted a meeting for pest control company technical director's from around the country to discuss the future and current needs of pest control, and how research can be utilized to address these needs (28 attendees).
- 21. City of Paducah, KY, Bed Bug Inspection. Paducah, KY. 2023.

  Provided a detailed review of ongoing bed bug control practices and an inspection of multiple units in a historic building that currently houses low-income residents. A final report was submitted to the City of Paducah, KY, detailing poor pest control practices which are contributing to the ongoing bed bug problem.
- 20. Washington, D.C., Housing Authority Pest Control Training and Inspection. Wahington, D.C. 2023 Provided a two-day training program for the maintenance staff of Washington D.C. Housing Authority (DCHA), such that they could become more involved in pest control and protect themselves and others from indoor pests. Our collaboration has sparked a discussion with DCHA to try and redesign pest control in these communities so that it is effective, affordable, and sustainable.
- 19. Kentucky Department of Agriculture Licensed Pest Control Operator's (LPCO) Exam. Lexington, KY. 2023.

Updated and administered the LPCO exam (July, November), which consists of 260 multiple choice questions and 40 specimen identification questions (July: 40 examinees; November: 37 examinees).

- 18. University of Kentucky Pest Control Short Course. Lexington, KY. 2022.

  Designed and coordinated an in-person training meeting for pest control operators in Kentucky and surrounding states. This meeting involved 18 1-hour talks from speakers around the country and provided training for >400 pest control operators and awarded >6,300 CEUs.
- 17. University of Kentucky Technical Director's Retreat. Lexington, KY. 2022.

  Hosted a meeting for pest control company technical directors from around the country to discuss the future and current needs of pest control, and how research can be utilized to address these needs (25 attendees).
- 16. Kentucky Department of Agriculture Licensed Pest Control Operator's (LPCO) Exam. Lexington, KY. 2022.

Updated and administered the LPCO exam (July, November), which consists of 260 multiple choice questions and 40 specimen identification questions (July: 23 examinees; November: 30 examinees).

- 15. National Pest Management Association (NPMA) Bed Bug Best Management Practices. 2022. Reviewed and assisted in updating the comprehensive list of best practices for bed bug management published by the NPMA.
- 14. University of Kentucky Pest Control Short Course. Lexington, KY. 2021.

  Designed and coordinated an in-person and online training meeting for pest control operators in Kentucky and surrounding states. This meeting involved 15 1-hour talks from speakers around the country and provided training for >400 pest control operators and awarded >6,300 CEUs.
- 13. University of Kentucky Technical Director's Retreat. Lexington, KY. 2021.

  Hosted a meeting for pest control company technical directors from around the country to discuss the future and current needs of pest control, and how research can be utilized to address these needs (20 attendees).
- 12. Kentucky Department of Agriculture Pest Control Advisory Board-Pesticide Application Regulation Working Group. Frankfort, KY. 2021.

  Served on a working group to revise pesticide application regulations based on guidance

Served on a working group to revise pesticiae application regulations based on guidance from the EPA and new Kentucky Statute passed into law in 2021.

11. Kentucky Department of Agriculture Licensed Pest Control Operator's (LPCO) Exam. Frankfort, KY. 2021.

Updated and administered the LPCO exam (July, November), which consists of 260 multiple choice questions and 40 specimen identification questions (May: 16 examinees; November: 35 examinees).

- 10. The University of Kentucky Online Pest Control Training Series (Webinar). Online. 2020. Designed and coordinated an online webinar series (8 weeks, 16 CEUs) to replace our annual University of Kentucky Pest Control Short Course (canceled due to COVID). Weekly enrollment > 420, and >6,700 CEUs provided.
- 9. Pest Control in Bourbon Warehouses (Consultation). Frankfort, KY. 2020.

  Inspected bourbon warehouses for cockroaches, identified the species of interest, and provided management recommendation to the pest control company involved.
- 8. University of Kentucky Housing-Pest Management (Consultation). Lexington, KY. 2020. Visited graduate and family housing, assessed current pest problems, and provided recommendations for pest control moving forward.
- 7. Kentucky Department of Agriculture Licensed Pest Control Operator's (LPCO) Exam. Frankfort, KY. 2020.

Updated and administered the LPCO exam (July, November), which consists of 260 multiple choice questions and 40 specimen identification questions (30 examinees).

- 6. Kentucky Department of Agriculture Structural Fumigation Exam. Frankfort, KY. 2020. Coordinated the complete redesign of this exam, which was >40 years old and contained outdated material (1 examinee).
- 5. Pest Control Ride-Alongs. Lexington, KY. 2020.

Visited with several pest control companies in Lexington, KY and rode along with their technicians. Provided feedback on novel strategies that they could employ to better serve their clients.

4. University Housing, North Carolina State University, Cockroach Control Training. Raleigh, NC. 2019

Consultation and demonstration of a community-wide cockroach management plan.

- 3. North Carolina Farmworker Institute Bed Bug Training. Durham, NC. 2018.

  Provided practical information on bed bugs for those working with migrant farmworkers (e.g. identification, safety tips, best management practices)
- 2. Childersburg Housing Authority Bed Bug Training. Childersburg, AL. 2013.

  Trained property management and staff on the best practices for bed bug inspections and management. Met with residents and answered questions regarding bed bugs.
- Sylacauga Housing Authority Bed Bug Training. Sylacauga, AL. 2013.
   Trained property management and staff on the best practices for bed bug inspections and management. Met with residents and answered questions regarding bed bugs.

#### **Invited Extension Presentations**

- 90. **DeVries ZC.** 2025. The Downfalls and Dangers of Do-It-Yourself Pest Control. University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 60 min, ~400 attendees)
- 89. **DeVries ZC. 2025.** Public Health Pest Update: New Research on Cockroach Control. NPMA Pestworld 2025. Orlando, FL (Oral Presentation, 75 min, ~250 attendees).
- 88. **DeVries ZC.** 2025. The Challenges and Dangers of Do-It-Yourself Pest Control. Rentokil Brain Power Hour. Online (Webinar, 60 min, ~50 attendees).

- 87. **DeVries ZC.** 2025. Bed bugs in 2025: What's new? Kentucky Pest Management Association Summer Meeting. Louisville, KY (Oral Presentation, 60 min, 200 attendees).
- 86. **DeVries ZC.** 2025. Cockroach Biology and Control. Perfection Pest Control Training. Union, KY (Oral Presentation, 150 min, ~20 attendees).
- 85. **DeVries ZC.** 2025. The Challenges and Dangers of DIY Pest Control. The Association of Structural Pest Control Regulators and Officials (ASPCRO) Regulator Training Webinar Series. Online (Webinar, ~35 attendees).
- 84. **DeVries ZC.** 2025. Controlling Cockroaches and Protecting Public Health. Pest Management Professional (PMP) Magazine Webinar. Online (Webinar, ~500 attendees).
- 83. **DeVries ZC.** 2025. Bed Bugs and Human Health: Known Concerns and Emerging Threats. The Indiana Vector Control Association Annual Metering. Madison, IN (Oral Presentation, 60 min, ~150 attendees).
- 82. **DeVries ZC.** 2025. No Trespassing! Identification, Management, and Prevention of Common Indoor Pests. UK FCS Agent Training. Grayson, KY (Oral Presentation, 180 min, ~25 attendees).
- 81. **DeVries ZC.** 2025. No Trespassing! Identification, Management, and Prevention of Common Indoor Pests. UK FCS Agent Training. Burlington, KY (Oral Presentation, 180 min, ~25 attendees).
- 80. **DeVries ZC.** 2025. The Dangers of DIY Pest Control. The Ohio State University Pesticide Safety Education Program, Live Commercial Pesticide Recertification Webinars-Structural and Vertebrate Pests. Online (Webinar, 60 min, ~175 attendees).
- 79. **DeVries ZC.** 2025. Bed Bug Management. The Ohio State University Pesticide Safety Education Program, Live Commercial Pesticide Recertification Webinars-Structural and Vertebrate Pests. Online (Webinar, 30 min, ~175 attendees).
- 78. **DeVries ZC.** 2025. Cockroach Management. The Ohio State University Pesticide Safety Education Program, Ohio Pesticide Commercial Applicator Recertification Conference. Cincinnati, OH (Oral Presentation, 30 min, ~75 attendees).
- 77. **DeVries ZC.** 2025. Bed Bug Management. The Ohio State University Pesticide Safety Education Program, Ohio Pesticide Commercial Applicator Recertification Conference. Cincinnati, OH (Oral Presentation, 60 min, ~75 attendees).
- 76. **DeVries ZC.** 2025. Controlling Cockroaches and Protecting Public Health. Texas A&M AgriLife Winter CEU Class. San Antonio, TX (Online Oral Presentation, 60 min, ~120 attendees)
- 75. **DeVries ZC.** 2024. Controlling Cockroaches and Protecting Public Health. Texas A&M AgriLife Winter CEU Class. San Antonio, TX (Online Oral Presentation, 55 min, ~200 attendees)
- 74. **DeVries ZC.** 2024. Controlling Cockroaches and Protecting Public Health. University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 60 min, ~360 attendees)

- 73. **DeVries ZC.** 2024. The Dangers of DIY Pest Control. Cook's 2024 Fall Recertification Webinar. Online (Webinar, 60 min, ~350 attendees).
- 72. **DeVries ZC**. 2024. Cockroach Research Update. University of Georgia Structural GTBOP Webinar. Online (Webinar, 60 min, ~400 attendees).
- 71. **DeVries ZC.** 2024. Bed Bug 101: Back to Basics. Arkansas Pest Management Association. Benton, AR (Oral Presentation, 60 min, 150 attendees)
- 70. **DeVries ZC.** 2024. Cockroach Research Update. Kentucky Pest Management Association Summer Meeting. Louisville, KY (Oral Presentation, 60 min, 150 attendees).
- 69. **DeVries ZC.** 2024. PCT Pest Lessons: Bed Bugs and Public Health Implications. PCT Online Webinar (Webinar, 60 min, 170 attendees).
- 68. **DeVries ZC.** 2024. Bed Bug 101: Back to Basics. Alabama Pest Control Association Summer Meeting. Orange Beach, AL (Oral Presentation, 60 min, 100 attendees).
- 67. **DeVries ZC.** 2024. Controlling Cockroaches and Protecting Public Health. Alabama Pest Control Association Summer Meeting. Orange Beach, AL (Oral Presentation, 60 min, 100 attendees).
- 66. **DeVries ZC.** 2024. Bed Bug Biology and Management. Cook's 2024 Spring Recertification Webinar. Online (Webinar, 60 min, ~300 attendees).
- 65. **DeVries ZC.** 2024. Beyond the Basics with Bed Bugs. Minnesota Structural Pest Management Conference. Minneapolis, MN (Oral Presentation, 60 min, ~550 attendees).
- 64. **DeVries ZC.** 2024. The Dangers of DIY Pest Control. The Ohio State University Pesticide Safety Education Program, Live Commercial Pesticide Recertification Webinars-Structural and Vertebrate Pests. Online (Webinar, 60 min, ~150 attendees).
- 63. **DeVries ZC.** 2024. Bed Bug Management. The Ohio State University Pesticide Safety Education Program, Live Commercial Pesticide Recertification Webinars-Structural and Vertebrate Pests. Online (Webinar, 30 min, ~150 attendees).
- 62. **DeVries ZC.** 2024. Cockroach Management. The Ohio State University Pesticide Safety Education Program, Ohio Pesticide Commercial Applicator Recertification Conference. Columbus, OH (Oral Presentation, 30 min, ~100 attendees).
- 61. **DeVries ZC.** 2024. Bed Bug Management. The Ohio State University Pesticide Safety Education Program, Ohio Pesticide Commercial Applicator Recertification Conference. Columbus, OH (Oral Presentation, 30 min, ~100 attendees).
- 60. **DeVries ZC.** 2024. Cockroach Management. The Ohio State University Pesticide Safety Education Program, Ohio Pesticide Commercial Applicator Recertification Conference. Cincinnati, OH (Oral Presentation, 30 min, ~100 attendees).

- 59. **DeVries ZC.** 2024. Bed Bug Management. The Ohio State University Pesticide Safety Education Program, Ohio Pesticide Commercial Applicator Recertification Conference. Cincinnati, OH (Oral Presentation, 60 min, ~100 attendees).
- 58. **DeVries ZC.** 2024. Bed Bugs. The Tennessee Pest Control Association January Technician's School. Jackson, TN (Oral Presentation, 60 min, 75 attendees).
- 57. **DeVries ZC.** 2024. Cockroaches. The Tennessee Pest Control Association January Technician's School. Jackson, TN (Oral Presentation, 60 min, 75 attendees).
- 56. **DeVries ZC.** 2024. Controlling Cockroaches & Protecting Public Health. The 78th Texas A&M University Urban Pest Management Conference and Workshop. College Station, TX (Oral Presentation, 60 min, ~230 attendees).
- 55. **DeVries ZC.** 2024. Bed Bug 101: Back to basics. The 78th Texas A&M University Urban Pest Management Conference and Workshop. College Station, TX (Oral Presentation, 60 min, ~230 attendees).
- 54. **DeVries ZC.** 2023. Bed Bugs: Back to Basics. University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 60 min, ~420 attendees).
- 53. **DeVries ZC.** 2023. The Perfect Meal: Determining how Aging Affects Cockroach Bait Performance. NPMA Pestworld 2023. Honolulu, HI (Oral Presentation, 60 min, ~100 attendees).
- 52. **DeVries ZC.** 2023. Battling bed bugs. The Greater Chicago Pest Management Alliance Meeting of the Minds. Tinley Park, IL (Oral, 90 min, ~250 attendees).
- 51. **DeVries ZC.** 2023. Indoor pests and human health. The 9<sup>th</sup> Annual Tennessee Bed Bug, Cockroach, and Rodent Management Meeting. Knoxville, TN (oral presentation, 60 min, ~90 attendees).
- 50. **DeVries ZC.** 2023. Bed bug biology and control. Kentucky Pest Management Association Annual Summer Meeting. Louisville, KY (Oral, 60 min, ~160 attendees).
- 49. **DeVries ZC.** 2023. Everything you never thought you wanted to know about bed bugs! Lexington Senior Center "Now you Know" Program, Lexington, KY (Oral Presentation, 60 min, ~15 attendees).

- 24. **DeVries ZC.** 2020. Understanding the Full Potential of Bed Bugs as an Important Public Health Pest. The Global Bed Bug Summit. Online (Webinar, 50 min, ~200 attendees).
- 23. **DeVries ZC.** 2020. Cockroach 101: Back to the Basics. The University of Kentucky Online Pest Control Training Series. Online (Webinar, 50 min, ~430 attendees).
- 22. **DeVries ZC.** 2020. Bed Bug Biology and Control. Kansas State University Commercial Pesticide Applicator Training Program. Online (Webinar, 60 min, ~64 attendees).
- 21. **DeVries ZC.** 2020. Fall Invaders and Pest Proofing. University of Kentucky Entomology Extension Series. Online (Webinar, 60 min, ~60 attendees).
- 20. **DeVries ZC.** 2020. The Allergenic Threats of Insects. University of Florida #Beyond the Label Webinar Series. Online (Webinar, 60 min, ~38 attendees).
- 19. **DeVries ZC.** 2020. Everything You Never Thought You Wanted to Know About Bed Bugs. USDA Forest Service (safety meeting). Online (Webinar, 60 min, ~35 attendees).
- 18. **DeVries ZC.** 2020. Cockroaches! Back to the Basics. National Pest Management Association "Back to the Basics" Webinar Series. Online (Webinar, 60 min, ~100 attendees).
- 17. **DeVries ZC.** 2020. Do-it-Yourself Pest Control: Bug Bombs and Cockroaches. Kentucky Pest Management Association Recertification Training. Burlington, KY (Oral Presentation, 50 min, ~100 attendees).

- 16. **DeVries ZC.** 2020. Do-it-Yourself Pest Control: Bug Bombs and Cockroaches. Kentucky Pest Management Association Recertification Training. Elizabethtown, KY (Oral Presentation, 50 min, ~100 attendees).
- 15. **DeVries ZC.** 2019. Allergenic Threat of Insects. The University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 50 min, ~400 attendees).
- 14. **DeVries ZC.** 2019. Do-It-Yourself Pest Control: Why are "Bug Bombs" Still Here? Greater Chicago Pest Management Alliance Meeting of the Minds. Chicago, IL (Oral Presentation, 50 min, ~400 attendees).
- 13. **DeVries ZC.** 2019. The War Against German Roaches: Bombing Roaches with Total Release Foggers. NPMA PestWorld 2019. San Diego, CA (Oral Presentation, 50 min, ~100 attendees).
- 12. **DeVries ZC.** 2019. Cockroaches, allergens, and their remediation. 5<sup>th</sup> Annual Tennessee Bed Bug and Cockroach Management Meeting. Knoxville, TN (Oral Presentation, 50 min, ~150 attendees).
- 11. **DeVries ZC.** 2019. New data on old technology: Why total release foggers don't measure up against cockroaches in homes. National Pest Management Association (NPMA) Carolinas/Mid-Atlantic Summer Conference. Myrtle Beach, SC (Oral Presentation, 50 min, ~150 attendees).
- 10. **DeVries ZC.** 2018. Bed Bug Feces and Allergies: Why Bed Bugs Continue to be an Important Public Health Pest. The Global Bed Bug Summit. Denver, CO (Oral Presentation, 50 min, ~500 attendees).
- 9. **DeVries ZC.** 2018. Everything you never thought you wanted to know about bed bugs. North Carolina Department of Labor Annual Training Meeting. Raleigh, NC (Oral Presentation, 2 hrs, ~30 attendees).
- 8. **DeVries ZC.** 2018. Bed bug research update and the future of innovations in bed bug management. National Pest Management Association (NPMA) Carolinas/Mid-Atlantic Summer Conference. Wrightsville Beach, NC (Oral Presentation, 50 min, ~50 attendees).
- 7. **DeVries ZC.** 2018. Medical importance of cockroaches and bed bugs. North Carolina Pest Management Association PCT School. Durham, NC (Oral Presentation P-phase, 50 min, ~400 attendees).
- 6. **DeVries ZC.** 2017. Challenges and opportunities surrounding bed bug baits. North Carolina Pest Management Association PCT School. Durham, NC (Oral Presentation P-phase, 50 min, ~400 attendees).
- 5. **DeVries ZC.** 2016. The promise and pitfalls surrounding bed bug baits. The Global Bed Bug Summit. Indianapolis, IN (Oral Presentation, 50 min, ~200 attendees).
- 4. **DeVries ZC.** 2016. Cockroaches and bed bugs: Similarities, differences, and what it means for management. North Carolina Pest Management Association PCT School. Durham, NC (Oral Presentation P-phase, 50 min, ~400 attendees).

- 3. **DeVries ZC.** 2015. Effects of baiting strategies on German cockroach populations and allergen levels. North Carolina Pest Management Association PCT School. Durham, NC (Oral Presentation, 15 min, ~400 attendees).
- 2. **DeVries ZC.** 2013. Urban insect physiology and management implications. Alabama Pest Control Association Meeting. Auburn, AL. (Oral Presentation, 15 min, ~100 attendees).
- 1. **DeVries ZC.** 2013. Bed Bug Biology and Management. Extension Agents, Huntsville, AL (oral presentation, performed remotely via conference call, 50 min, ~25 attendees).

### **Student/Trainee Extension Presentations**

- 35. Robinson S<sup>†</sup>, **DeVries ZC**. 2025. German cockroaches vs. ecdysteroid agonists. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~400 attendees).
- 34. Shrestha B<sup>†</sup>, **DeVries ZC**. 2025. Proactive baiting for sustainable German cockroach (*Blattella germanica*) Control. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~400 attendees).
- 33. Lopina A<sup>†</sup>, **DeVries ZC**. 2025. German cockroach survival periods amongst different conditions. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~400 attendees).
- 32. Katz O<sup>†</sup>, **DeVries ZC**. 2025. Allergens explained. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~400 attendees).
- 31. Principato S<sup>†</sup>, **DeVries ZC**. 2025. Health implications of bed bug infestations. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~400 attendees).
- 30. Grady B, Katz O, **DeVries ZC.** 2024. Bed bugs and cockroaches. Central Kentucky Commercial Pesticide Training. Greensburg, KY (Oral, 60 min, ~10 attendees)
- 29. Principato S<sup>†</sup>, **DeVries ZC**. 2024. New bed bug findings: Human health and control. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 60 min, ~360 attendees).
- 28. Lopina A<sup>†</sup>, **DeVries ZC**. 2024. German cockroach harborage selection & foraging movement. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~360 attendees).
- 27. Katz O<sup>†</sup>, **DeVries ZC**. 2024. German cockroach allergen mitigation. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~360 attendees).
- 26. Blevins H<sup>†</sup>, **DeVries ZC**. 2024. Dinotefuran resistance in the German Cockroach (*Blattella germanica*). University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~360 attendees).
- 25. Grady B<sup>†</sup>, **DeVries ZC**. 2024. Contamination of gel baits fails to reduce efficacy against German cockroaches. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~360 attendees).

- 24. Daniela J<sup>†</sup>, **DeVries ZC**. 2024. Essential Oils: Are they essential for German cockroach control? National Pest Management Association PestWorld. Denver, CO (Oral, 15 min, ~30 attendees).
- 23. Principato S<sup>†</sup>, **DeVries ZC**. 2024. Bed bug-derived histamine: potential health implications and mitigation strategies. National Pest Management Association PestWorld. Denver, CO (Oral, 15 min, ~30 attendees).
- 22. Blevins H<sup>†</sup>, **DeVries ZC**. 2024. Dinotefuran resistance in the German Cockroach (*Blattella germanica*). National Pest Management Association PestWorld. Denver, CO (Oral, 15 min, ~30 attendees).
- 21. Lopina A<sup>†</sup>, **DeVries ZC**. 2024. German cockroach harborage selection & foraging movement. National Pest Management Association PestWorld. Denver, CO (Oral, 15 min, ~30 attendees).
- 20. Grady B<sup>†</sup>, **DeVries ZC**. 2024. Contamination of gel baits fails to reduce efficacy against German cockroaches. National Pest Management Association PestWorld. Denver, CO (Oral, 15 min, ~30 attendees).
- 19. Katz O<sup>†</sup>, **DeVries ZC**. 2024. German cockroach allergen mitigation. National Pest Management Association PestWorld. Denver, CO (Oral, 15 min, ~30 attendees).
- 18. Lucero I<sup>†</sup>, **DeVries ZC**. 2023. Understanding Cockroaches and Cockroach Control. University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 60 min, ~420 attendees).
- 17. Grady B<sup>†</sup>, **DeVries ZC**. 2023. Bed Bug Behavioral Responses to Insecticides. University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 25 min, ~420 attendees).
- 16. Principato S<sup>†</sup>, **DeVries ZC**. 2023. Bed Bug Control Using *Beauveria bassiana*. University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 25 min, ~420 attendees).
- 15. Katz O<sup>†</sup>, **DeVries ZC**. 2023. The Health Effects of Cockroaches. University of Kentucky Pest Control Short Course. Lexington, KY (Oral Presentation, 10 min, ~420 attendees).
- 14. Lucero I<sup>†</sup>, **DeVries ZC**. 2023. Cockroaches. Kentucky Pest Management Association Recertification Training. Elizabethtown, KY (Oral Presentation, 60 min, ~50 attendees).
- 13. Grady B<sup>†</sup>, **DeVries ZC.** 2023. Cockroaches. Kentucky Pest Management Association Recertification Training. Burlington, KY (Oral Presentation, 60 min, ~50 attendees).
- 12. Lucero I<sup>†</sup>, Gaire S<sup>††</sup>, **DeVries ZC.** 2022. German Cockroach Bait Consumption and Efficacy. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~50 attendees).
- 11. Principato S<sup>†</sup>, **DeVries ZC.** 2022. Mitigation of bed bug-produced histamine through common cleaning methods. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~50 attendees).

- 10. Gordon J<sup>†</sup>, **DeVries ZC.** 2022. Tropomyosin: A novel bed bug allergen. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~50 attendees).
- 9. Grady B<sup>+</sup>, **DeVries ZC.** 2022. German cockroach biology. University of Kentucky Pest Control Short Course. Lexington, KY (Oral, 15 min, ~50 attendees).
- 8. Lucero I<sup>†</sup>, Gaire S, **DeVries ZC.** 2022. German Cockroach Bait Consumption and Efficacy. National Pest Management Association PestWorld. Boston, MA (Oral, 10 min, ~50 attendees).
- 7. Principato S<sup>†</sup>, **DeVries ZC.** 2022. Mitigation of bed bug-produced histamine through common cleaning methods. National Pest Management Association PestWorld. Boston, MA (Oral, 10 min, ~50 attendees).
- 6. Gordon J<sup>†</sup>, **DeVries ZC.** 2022. Tropomyosin: A novel bed bug allergen. National Pest Management Association PestWorld. Boston, MA (Oral, 10 min, ~50 attendees).
- 5. Grady B<sup>†</sup>, **DeVries ZC.** 2022. German cockroach biology. National Pest Management Association PestWorld. Boston, MA (Oral, 10 min, ~50 attendees).
- 4. Gordon J<sup>†</sup>, **DeVries ZC.** 2022. Understanding and Controlling Cockroaches. Kentucky Pest Management Association. Louisville, KY (Oral, 60 min, ~250 attendees)
- 3. Sierras A<sup>++</sup>, **DeVries ZC.** 2022. Bed Bugs: Think Before You Treat! Kentucky Pest Management Association. Louisville, KY (Oral, 60 min, ~250 attendees).
- 2. Lucero I<sup>†</sup>, Gaire S<sup>††</sup>, **DeVries ZC.** 2021. German cockroach bait consumption and foraging. National Pest Management Association PestWorld. Las Vegas, NV (Oral, 10 min, ~30 attendees).
- 1. Principato S<sup>†</sup>, **DeVries ZC.** 2021. Evaluation of histamine production in common indoor arthropods. National Pest Management Association PestWorld. Las Vegas, NV (Oral, 10 min, ~30 attendees).

**NOTE:** My trainees have given additional talks not reflected on the CV since I only consider myself to be a co-author when assisting them in initial talk development

#### **OUTREACH AND COMMUNITY ENGAGEMENT**

- 23. Insect Presentation for Pre-School Children. St. Michael's School, Lexington, KY. 2025.

  Basic entomology presentation for preschool children (3-5 years old) including hands-on insect demonstrations. (~75 attendees)
- 22. Biobananza. University of Kentucky, Lexington, KY. 2025. *Urban entomology presentation to the public. (~250 attendees)*
- 21. Discovery Zone. Frederick Douglas High School, Lexington, KY. 2025.

  Hosted an entomology table with insects for K-12 children to demonstrate the beauty and diversity of insects. (~200 attendees)
- 20. Nature Weekend. Cumberland Fall, Corbin, KY. 2024.

  Presentation to K-12 children and parents on native insects, followed by a nature hike. (~40 attendees)
- 19. Buggin Out! The Living Arts Science Center, Lexington, KY. 2024.

  Hosted an entomology table offering insect interactions and talking with children about science related careers. (~150 attendees)
- 18 Insect Presentation for 2nd Grade Children. Stonewall Elementary, Lexington, KY. 2024.

  Basic entomology presentation for 2<sup>nd</sup> Grade children, including hands-on insect demonstrations. (~30 attendees)
- 17. Insect Presentation for Pre-School Children. St. Michael's School, Lexington, KY. 2024.

  Basic entomology presentation for preschool children (3-5 years old) including hands-on insect demonstrations. (~75 attendees)
- Read Across America. Frederick Douglas High School, Lexington, KY. 2024.
   Hosted an entomology table with insects for K-12 children to demonstrate the beauty and diversity of insects. (~200 attendees)

- Pollinator Kickoff Event. McConnel Springs, Lexington KY. 2023.
   Interactive insect demonstrations for K-12 children and parents with live insect displays, a nature hike, and facepainting. (~150 attendees)
- 14. Pollinator identification Wilson Plant Company, Frankfort, KY.

  Educated community on common pollinators in the garden. (~20 attendees)
- 13. Insect Presentation for Kindergarten Children. Cassidy Elementary, Lexington, KY. 2023.

  Basic entomology presentation for Kindergarten children, including hands-on insect demonstrations. (~150 attendees)
- 12. Insect Presentation for Pre-School Children. St. Michael's School, Lexington, KY. 2023.

  Basic entomology presentation for preschool children (3-5 years old) including hands-on insect demonstrations. (~75 attendees)
- 11. University of Kentucky Curiosity Fair. Lexington, KY. 2022.

  \*\*Urban entomology presentation to the public (~500 attendees)\*\*
- 10. Insect Presentation for Pre-School Children. Calvary Baptist Church, Lexington, KY. 2022.

  Basic entomology presentation for preschool children (3-5 years old) including hands-on insect demonstrations. (~40 attendees)
- 9. University of Kentucky Curiosity Fair. Lexington, KY. 2021. *Urban entomology presentation to the public. (~500 attendees)*
- 8. Creating Awareness of Agriculture and Life Sciences Disciplines, Degree Programs and Discoveries (CAALS 3D), North Carolina State University (Raleigh, NC). 2018.

  Provided a hands-on laboratory experience to 6 high school students from underrepresented groups to increase awareness and interest in careers in agricultural and life sciences
- 7. Science Fair Judge. Fred Olds School Science, Raleigh, NC. 2016-2018.
- 6. Brain and Behavior Night, North Carolina Museum of Natural Sciences. Raleigh, NC. 2016-2019 Presentation on urban insect behavior (~300 attendees).
- 5. BugFest, North Carolina Museum of Natural Sciences Raleigh, NC. 2013-2019. *Urban entomology presentation to the public (>35,000 attendees)*
- 4. Cockroach and bed bug inspection/intervention for the public. Raleigh, NC. 2014-2019.
- 3. North Carolina State 4-H Competition Judge. Raleigh, NC. 2014-2018.
- 2. Science of Attraction, Museum of Life and Science. Durham, NC. 2014. *Presentation on chemical ecology to the public (~200 attendees).*
- 1. Cockroach presentation for Pre-School children. Lee-Scott Academy, Auburn, AL. 2013.

Fall 2011	ENT 3040 – General Entomology (Auburn University)	1	20
Spring 2011	Peer Instructor, Conservation Biology Learning	-	-
	Community (Auburn University)		

#### SERVICE AND DEVELOPMENT

### **Department Service**

- 6. Specialty Crop Entomologist Search Committee, Department of Entomology, University of Kentucky (2024-2025; co-chair)
- 5. Honors and Awards Committee, Department of Entomology, University of Kentucky (2024-present; co-chair)
  - Helped department identify and nominating deserving members for awards
- 4. Veterinary Entomology Search Committee, Department of Entomology, University of Kentucky (2023)
- 3. Graduate Program Committee, Department of Entomology, University of Kentucky (2022-2024)

  Assist in acquiring/compiling Program Student Learning Outcomes (PSLOs) and assist in graduate student admission decisions.
- 2. Self-Study Document Preparation Committee, Department of Entomology, University of Kentucky (2022)
  - Assisted in assembling the self-study document used for the 6-year review of the Department of Entomology.
- 1. Planning Committee, Department of Entomology, University of Kentucky (2019-present)

  Provide feedback on the needs and direction for the Department moving forward

### **College and University Service**

- 6. Member, Emerging Leadership Academy, University of Kentucky (2025-2026)
- 5. Panelist, CAFE New Faculty Lunch and Learn Series (Topic: "What I wish I knew"), Martin-Gatton College of Agriculture, Food and Environment, University of Kentucky (2024)
- 4. Agricultural Health and Safety Search Committee, Department of Biosystem and Agricultural Engineering, University of Kentucky (2023-present)
- 3. Judge, Postdoc Talk Competition, 2022 Society of Postdoctoral Scholars Annual Research & Career Symposium (2022).
  - One of only five judges selected from the entire University of Kentucky
- 2. The University of Kentucky Center for Health Equity Transformation (CHET; Affiliate Member, 2021-Present).
- 1. The University of Kentucky Center for Appalachian Research in Environmental Sciences (UK CARES; Associate Member, 2020-present)

This is an NIEHS Core Center (P30) designed to enhance research capacity focused on major environmental health risks. Served on a working group which assisted in reviewing the center and providing feedback for the upcoming center renewal application (2020).

#### **Professional Service**

6. Entomological Society of America (member, 2012-Present)

Honors and Awards Committee Member (MUVE Representative; 2022-present)

Judge for the Entomological Society of American Student Competition for the President's

Prize (2022)

Judge for the Henry and Sylvia Richardson Research Grant Award (2020-present) Judge for the North Central Branch Meeting Student Competition (2021)

5. National Pest Management Association (member, 2022-present)

Technical Committee (member, 2023-present)

NPMA Planning Summit (member, 2025); met to develop new meeting to expose students to the pest management industry

4. Journal of Economic Entomology

Subject Editor (2025-present)

Associate Editor (2020-2025)

- 3. Kentucky Department of Agriculture Pesticide Advisory Board (Member [voting], 2019-present).

  This board meets to review and approve individuals requesting to take the pest control licensing exam for the state of Kentucky. In addition, this board reviews pending legislative changes that impact structural pest control rules and regulations
- Reviewer for the following journals/institutions: Journal of Economic Entomology (28), Journal of Medical Entomology (7), Physiological Entomology (3), Medical and Veterinary Entomology (3), Insects (2), Ecology and Evolution (1), Journal of Thermal Biology (2), Journal of Urban Ecology (2), Naturwissenschaften (2), Acta Biotherectica (1), Entomology, Ornithology, and Herpetology (1), Hormones and Behavior (1), Journal of Insect Behavior (1), PLoS One (1), The Canadian Entomologist (1), The Florida Entomologist (1)
- 1. Other review service:

Reviewer for the National Institutes of Health Transmission of Vector-Borne and Zoonotic Diseases (TVZ) study section (1)

Reviewer (invited but declined) for the US Department of Agriculture (USDA) Agriculture and Food Research Initiative's (AFRI) Pests and Beneficial Species in Agricultural Production Systems program (A1112) (1).

Reviewer for University of Kentucky Extension Fact Sheet (1)

Reviewer for the Center for Integrative Environmental Health Sciences, Univ. of Louisville (1) USDA Hatch Grant (1)
